

MEMORANDUM

March 6, 2006

TO: Coaches, parents, athletes:

FROM: Deborah Sample, Meet Director
Pinole Classic Sectional
510 395-1779

SUBJECT: Event cancellations

I have checked on the softball field consistently since last week and the rain has it completely soaked with water reaching ankle deep. With more rain expected again this week I have therefore decided to cancel the discus, shot put and regular javelin. The mini-jav will still take place in the middle of our football field as usual.

My plans are to contact those individuals or coaches whose entries I have already received with athletes entered in those three events. However, you can contact me immediately if you choose to have them do another event. If they are only entered in these events I will cancel them altogether from the track meet unless you instruct me otherwise.

Sorry for any inconvenience this may cause you and look forward to seeing you this weekend. RAIN or SHINE!!
