Pacific Association Youth Committee Meeting

Change in Youth Committee leadership in 2013

Please come to 2/25/12 meeting to see how it will impact you

If attending, please RSVP to pa.youthchair@yahoo.com. I am placing a catered lunch order and need number of attendees. Thank you

Happy New Year one and all. Hope everyone had a most wonderful holiday season. This notice is a friendly reminder of the second of our two scheduled Youth Club meetings for the 2012 track and field and cross country season. The meeting is scheduled for Saturday, February 25th from 10 am to 2 pm at James Logan High School. We will critique our 2011 cross country season and maintain thoughts and ideas for the 2012 season. It is my hope that you are planning to attend the meeting.

If you plan to bid for a cross country meet this upcoming season please be aware that you will be expected to have available, the facility location, medical person's name and contact information, sanction paperwork information, etc. If you want a particular date, let Dave Bayliss davidbayliss@yahoo.com know ahead of time and it will be added to the schedule before the meeting. It will not be finalized until Saturday February 25th during the scheduled meeting when voting for the meets will take place.

The Pacific Association requires actual live scan fingerprinting to complete our background checks. If you have a new coach or parent volunteer who needs to be live scanned to adhere to the background check requirements, you must pay to have it done. If this is the first time that a coach or parent will have fingerprinting done, it will be reimbursed from the PAUSATF headquarters. **It is complimentary the first time only.** If you let it lapse for any reason, you will have to do it again and pay for it **at your cost.** There are no exceptions to this rule.

Please remember to renew your team registration before May 1, 2012 to avoid the \$100.00 late registration fee. Instead of the usual \$75.00 renewal fee, you will be assessed \$175.00. This does not go to the Pacific Association. This late fee is assessed from the National Headquarters and goes directly to them.
