

## 2013-14 Coaching Education Scholarship Application

Both the United States Olympic Committee and USA Track and Field acknowledge the importance of well educated coaches and their contribution to assisting athletes in achieving their greatest potential. To facilitate the goal of producing well educated coaches, the Pacific Association of USATF (*including San Luis Obispo, San Benito, Stanislaus and Tuolumne counties north to the Oregon border in California, and central/northern Nevada*) has made available 8 (eight) scholarships to pay the tuition to attend a USATF Level 1 Coaching Education School\*. Pacific Association registered coaches who complete and **submit the attached form by Sunday, 24 November, at 5:00pm** will become eligible to have their tuition fee paid to either the Sacramento CC School 14-15 December, or the Chabot College School on 18-19 January 2014. Recipients are responsible for their own transportation, USATF membership fees, accommodation, and meals.

**If you are applying for this scholarship, please DO NOT REGISTER for the school on the USATF coaching education website. We will register you in a separate process.**

Candidates will be ranked by a nomination committee based on need, coaching philosophy, and ability to contribute to athletes' success. The fourteen successful recipients will be notified by e-mail on Monday, 2 December.
