

Exercise for Recorder – Track Example

Materials

1. Enough blank copies of the “Race Walk Judging Summary Sheet – Track Form” for each Recorder.
2. Set of Red Cards (can be printed onto red paper using the sheets provided below).
3. Set of Tally Sheets (printed onto white paper using the sheets provided below).
4. Two answer sheets – partially (with Red Cards only) and fully completed Summary Sheets.
5. Pencils.

Procedure

1. Give each Recorder a **blank** “Race Walk Judging Summary Sheet – Track Form.” Have them fill in the **event name, date, Chief Judge’s name**, their **name as Recorder** and **USATF Official’s Number**, the **names of the Judges** and their **USATF Officials’ Numbers**, and the **start time** for the race.
2. **Identify** another instructor or yourself as the **Chief Judge** (to whom Red Cards are to be sent if three fully completed Red Cards from different judges have been submitted). If you have an extra person, let that person be the **Runner/Card Collector**.
3. In time sequence, using the order by number in the upper left-hand corner of the Red Cards, hand the Recorders the **Red Cards**. Have them record the competitors’ numbers in the first column and the times and violations (circled ~ or >) in the gray columns on the Summary Sheet.
4. Make sure the Recorders **send Red Cards** on competitors who should be disqualified **to the Chief Judge** when they accumulate Red Cards on one competitor from three or more different judges. The Recorder keeps the other cards, and the Chief Judge will return the cards on the disqualified competitor to the Recorder.
5. **Be prepared to answer questions** regarding Red Cards that are incompletely filled out, including
 - Red Card #4, from Judge 3 – without circling either ~ or > [later corrected with Red Card #14]
 - Red Card #10, from Judge 2 – without the competitor number [later corrected with Red Card #11]
 - Red Card #12, from Judge 5 – without the time of day [later corrected with Red Card #16]
 - Red Card #15, from Judge 4 – without name or signature [later corrected with Red Card #18].

The Recorders should be sending these cards back to the Judges (by way of the Runner/Card Collector).

Also note that Red Card #17 is a duplicate, submitted by mistake by Judge 1. The Recorder should disregard this duplicate, but give it back to the Judge after the race.

6. Check to make sure everyone has properly completed the **Summary Sheet with only the Red Cards** recorded. Have the Recorders write down the **end time** for the race.
7. Have each Recorder note the Reason and Time of Day in the **Disqualification Notification** columns, when the Chief Judge showed a Red Paddle to the disqualified competitors. Let them know that they should be watching the Chief Judge and checking their watches to get this time, but that if they are too busy dealing with additional incoming red cards, they can get the time from the Chief Judge after the race.
8. Give each Recorder the five Judges’ **Tally Sheets**. Have them record the times for the cautions in the appropriate columns. Also have them check to make sure they have the proper time and violation for the proposals for disqualification as taken from the Red Cards.
9. Have each **Recorder sign** the Summary Sheet.
10. Have each Recorder meet with the **Chief Judge** to double check the **fully completed Summary Sheet** and **sign** it.
11. Inform the Recorders that they should have a **zip-lock plastic bag** or stapler for keeping the Summary Sheet, Tally Sheets, and Red Cards for the race together. This is particularly important when more than one race is contested on the same day.
