TRAINING CLINICS

Let us explain what the classes are all about

Rule Update/Changes...a class for all officials No charge for this clinic (\$0.00)

- 1 Introduction to Track and Field Officiating for individuals wishing to be Track & Field Officials.
- **2 Fundamentals of Field Event Officiating** for Apprentice and Association Level officials who want to learn more about officiating the field events: Throws, Horizontal Jumps and Vertical Jumps. The Fundamental clinics are a prerequisite for advancement to Association Level. The emphasis in these classes will be on how to run the event and complete the paperwork.
- **3 Fundamentals of Track Event Officiating** for Apprentice and Association Level officials who want to learn more about track officiating clerking, umpiring, lap scoring. The Fundamental clinics are a prerequisite for advancement to Association Level.
- 4 Intermediate Field Event Clinics for Association Level officials who have already taken the appropriate Fundamentals of Field Event Officiating clinics. The Intermediate clinics are a prerequisite for advancement to National Level. Each Intermediate Clinic will concentrate on one of the field event disciplines. The emphasis in these classes will be on setting up your facility (ring, runway and standards), crew management and the role/requirements of an event head.
- 6 Introduction to Race Walk Officiating...for individuals who would like to officiate race walks but not necessarily as judges. Individuals taking the Introduction to Race Walk Judging clinic are also encouraged to take this clinic on Race Walk Officiating, where you will learn more about recording, lap scoring and other duties of officials during race walks; current Track & Field officials are encouraged to attend.
- 7 Introduction to Race Walk Judging...for individuals who would like to become race walk judges.
- **8** Introduction to Long Distance Running and Cross Country Officiating...for individuals who are interested in officiating at road races and cross country meets.
- 9 CERTIFYING AND CASE STUDY DISCUSSION FOR LDR/CROSS COUNTRY REFERES Certifying, discussion and case study of challenges of working LDR events: road runs and cross country meets. Once an experienced LDR officials reach NATIONAL LEVEL, they are eligible to train to become LDR referees.

2015 Training Clinics for Pacific Association USATF Officials

The numbers (1, 2, etc.) on the chart refer to the expanded notes below.

- 10 IMPLEMENT INSPECTION...for individuals who are already certified in Implement Inspection, for individuals who would like to become certified in Implement Inspection, AND for all National and Master Level THROWS officials who have not yet taken the clinic. The goal for the throws officials is to make them aware of what goes on during implement inspection. You may substitute this clinic with a "hands on" experience at a regularly scheduled meet while working under the mentorship of an already certified inspector.
- 11 What is different in officiating at a National or Major Conference Meet? Once certified at the National or Master Level, a track and field official may apply to be considered to work at the USATF Junior and Senior Indoor/Outdoor track and field meets.
- 12 CERTIFYING TRACK AND/OR FIELD REFEREES In order to become certified as a referee, you need:
 (1) this class, (2) complete a written exam and to (3) have a resume which shows both a depth of experience and a breadth of experience.
- **12a Mentoring Track and/or Field Referees** Group discussion of case studies designed for officials who are already certified referees.
- **14 Combined Event Officiating** Certifying, discussion and case study of challenges of working combined event pentathlon and decathlon competitions.
- **15 Starting** A prerequisite of one year of experience as an official.
- **16 Paralympic/Athletics For The Disabled Training** Introduction to and discussion of the challenges of working a Paralympic Meet with an emphasis on facility/individual set-up for "seated throws" and clerking.
