

# 2024 USATF Olympic Track & Field Trials

## USATF Pacific Feature Athletes Grant Fisher (10,000m) and Harrison Williams (Decathlon)

### TWO EX-CARDS EARN OLYMPIC BERTHS

A pair of former Stanford athletes have already wrapped up Olympic Games berths on the first weekend of the Trials.

**Grant Fisher**, holder of three American distance records, won the first finals race of the Trials, the 10,000 meters, in 27 minutes, 49.47 seconds. He is now a 2-time Olympian.

Card alum **Harrison Williams** did not “defend” his USA decathlon title but took third place, comfortably, to make his first Olympic team, scoring 8,384 points. He had a 92 point lead over fourth place contender Devon Williams entering the concluding 1,500 meters and ran to a strong third place finish there in 4:36.60 for 702 points -- extending his lead to 173 points over non-qualifying fourth place.
